GOURMET'S GRAVIES

CHUCK ROAST GRAVY
If you have cooked your chuck as a pot roast, remove meat and any whole vegetables. Keep these hot in a separate pan. Then skim off fat and measure the remaining broth. Broken vegetables may be put through strainer and returned to broth. Add water to make 2 cups of meat broth (based on 3-lb. roast). Mix 1/2 tbs. flour into 1/2 cup water and add slowly to hot broth. Stir very well. Let boil 5 minutes. Add salt and pepper as needed. Serve hot in bowl.

CHICKEN GRAVY
Strain drippings from roasting pan after chicken has been removed. Measure out 1/2 cup and return to pan. Add browned bits left in strainer. Add 4 cups of milk and boil. Then stir together 1/2 cup flour, 1/2 tsp. salt, 1/4 tsp. pepper, and 1/2 cup water. Stir this slowly into the boiling milk. Use slotted turner to scrape and stir together. If desired, add the chopped, cooked giblets. Boil for another 5 or 10 minutes to be sure flour is thoroughly cooked.
