LET HOLLYWOOD PARK PLYMOUTH SOLVE YOUR FINANCIAL PROBLEMS

Perhaps you've looked out your window recently, seen your neighbor pull up in a shiny new car, and said something like this to yourself: "Hey, where the heck does Fred get off buying a new car. I'm making more money than he is, have one less dependent, and I can't afford the payments on the old car I'm driving now. What gives?"

Well, folks, maybe Fred has just taken advantage of Hollywood Park Plymouth's famous family budget formula. Let's take a typical case for an example. Mr. and Mrs. T. had the following schedule of monthly payments:

'49 Auto	\$47.00	per Month
Carpets	29.00	per Month
TV Set	16.43	per Month
Dental Loan	15.06	per Month
Finance Co. (Personal)	22.46	per Month
TOTAL	\$129.95	per Month

Mr. T. held a good job, making \$400.00 per month, but with the above payments in addition to his basic living expenses, he was in no position to buy a new car — at least that's what he thought until he met N. D. Brown, our friendly budget counselor at Hollypark Plymouth. Mr. Brown arranged to pay off all of Mr. and Mrs. T.'s obligations, put them into a beautiful '57 model of their choice, and leave them with the following payment schedule:

Payment on '57 Plymouth	\$56.00	per Month
Budget Formula Payment	32.00	per Month
TOTAL	\$88.00	per Month

With no cash down, Mr. Brown actually sold them a late model used car and reduced their monthly payments by \$41.95! Sounds amazing — it is.

So why not let us show you what we can do in your case. There is ABSOLUTELY NO OBLIGATION. Simply call ORchard 4-5270 and we will arrange a demonstration for you, then we will sit down with Mr. Brown, who will submit a budget plan for your approval. Why not call today?
