**WHAT'S DOING**

R. S. Pyle, your Telephone Manager in Torrance

If you're on the go these fine spring weekends, you won't often be far away from a phone. We install phone booths where you're most apt to need them. Last year more than 2500 new ones went up in the Pacific West. You'll find these handy booths in vacation spots and in everyday places, too. By finding out where the demand is greatest, we're able to select the locations that are most convenient for you. Near busy street corners. In hotels, drug stores, gas stations. Wherever you go, your phones away from home make your service even more valuable to you.

Next time you see a group of telephone men at work, take a good look. Bet you'll notice they're all wearing glasses. These are individually-fitted safety glasses. And they're a big help in preventing eye injuries. The glasses are made so they won't shatter even under a heavy blow. The way we look at it, our people are the biggest asset we've got. And your best guarantee of good service. So we're strong for safety around here.

**MEMORIAL DAY**

The annual May 30th Memorial Day holiday—which falls this year on Friday—means many things to many people. Originally, Memorial Day, or Decoration Day, was celebrated as "a day set apart for decorating with flowers the graves of soldiers and sailors who fell in the Civil War."

However, three wars and nearly a century later, it has come to mean for many a time of general remembrance within the family.

Besides its primary purpose, the holiday usually marks the yearly onslaught of summer weather and, with it, a considerable amount of travel to visit families and vacation spots.

With this in mind, we at Pacific Telephone respectfully urge you to drive with care during the three-day week-end.

It also might add to your holiday enjoyment to telephone ahead to make arrangements for your arrival, including reservations if necessary.—PACIFIC TELEPHONE.
