Recreation Commission Thanks Rotary Club for Fire Trench Work in Park

The Torrance Park and Recreation Commission today thanked the Torrance Rotary Club and its members for the fire trenches they constructed last month at El Nido Park.

Robert S. Cramer, chairman of the Park and Recreation Commission, estimated it would have cost the city in excess of \$4000 if they had contracted the work to be done. The commission voted unanimously to send letters of thanks to Rotary and local business which contributed labor and materials.

The Rotary Club recently completed the construction of six barbecue pits in El Nido Park, on Kingsdale between 186th and 182nd sts. It is used as an overnight camping site by local Scouts and Camp Fire Girls.

The program will start at 8 p.m. in the Elks lodge room at 1951 W. Carson st. Sgt. Mickey Fisher of the Torrance Police Department, co-chairman of the committee, will be in charge.

Carriers Ask Cooperation in Mail Box Cleanup

Residents were asked today to help their letter carriers observe Postal Cleanup Week.

Clifford McCabe, foreman of the Torrance mailmen, said that home owners can make his men's tasks easier by following some of their suggestions.

These include making sure the mail box is in good repair, that it is adequate for the volume of mail expected, and in a location easily accessible.

In case of more than one family receiving mail in the same letter box, McCabe asks that all names be listed. If more than 25 boxes are in a building, make sure there is an alphabetical listing.

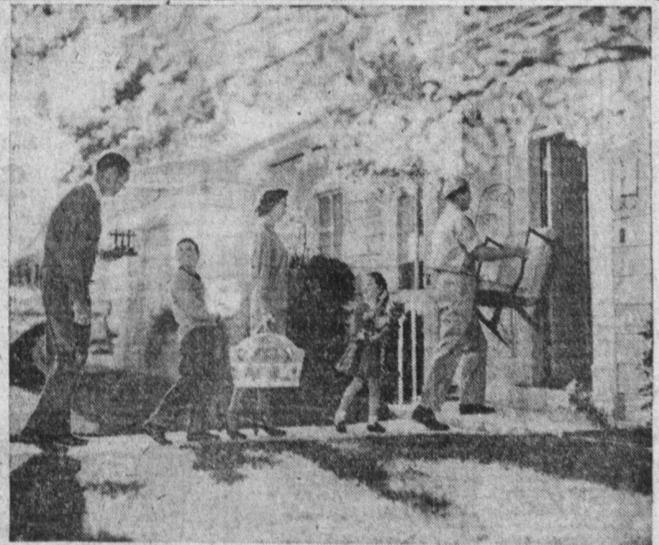

Other problems facing letter carriers are poorly lighted lobbies, poorly displayed house numbers and persons who are not at home when packages are delivered.

Final Day for Banquet Tickets

Today will be the final day for residents to purchase tickets for the testimonial dinner which will honor President and Mrs. Forrest G. Murdock of El Camino College.

Sponsored by campus employees, students, alumni, and friends of the educator and Mrs. Murdock, the dinner will be held in the Campus Center at 7:30 o'clock Saturday night.

President Murdock, active in the field of education for the past 42 years, will retire from his post as president of the college and superintendent of the El Camino Junior College district on August 1.
