Announce Sunday Sermon Subjects

Sermon subject for the 11 a.m. Sunday service at South Bay Baptist Church will be "The Mayor Who Lived in a Cave." Dr. J. C. Brumfield's evening sermon subject will be "Christ Suffered for Us."

The ordinance of baptism will be held at 7:30 p.m. and the Lord's Supper observed at the conclusion of the service.

A kick-off dinner will be held at 6:45 p.m. Tuesday for workers in the Daily Vacation Bible School.

Special Events at Foursquare

Two special services are planned for Sunday at the Torrance Foursquare Church.

Rev. Ruth English, missionary from Puntarenas, Costa Rica, will speak at the 10:45 a.m. worship service. Miss English attended a language school in Costa Rica and on completion of the course in Spanish went into the virgin territory in Costa Rica to do missionary work. She will have outstanding reports to give, and some very thrilling events to relate.

In the evening service at 7:15, Rev. Bob Williams, chalk artist, will present the Gospel message with chalk drawings. Williams is engaged by the National School Assemblies during the school year. His wife, a capable musician, presents musical background with organ, and singing, during the service. A very effective lighting system points up the finished pictures. Rev. Williams will present one of his pictures as a gift to the person bringing the most visitors to the service.

Rev. Jas. F. Lowen, pastor of the church, invites everyone to enjoy both these services.

Christian Science Is Sermon Topic

The Sunday lesson-sermon in all the Christian Science churches will be on the subject "Christian Science."

The Golden Text opens the lesson with Isaiah's words, "The glory of the Lord shall be revealed, and all flesh shall see it together: for the mouth of the Lord hath spoken it" (40:5).

In correlation of this Bible passage is Mary Baker Eddy's statement from "Science and Health with Key to the Scriptures," "If God, the all-in-all, be the creator of the spiritual universe, including man; then everything entitled to a classification as truth or science must be comprised in a knowledge or understanding of God, for there can be nothing beyond illimitable divinity."

Personal Freedom

Ideas for individuals to free their minds from habit shackles will be presented at the Torrance Redondo Church of Religious Science Sunday morning by Rev. Earl D. Barnum. Regular devotionals will be held at 11 a.m.

Gateway Players will present "Mischief on Olympus" at the church dinner Sunday. Donations will be taken.

Inspiration hour sessions will not be held during July and August but will resume in September.
