Give Life Scout Awards to Six

Six boys from the Explorer section of Boy Scout Troop 753 of North Torrance received their Life Scout awards at the court of honor held June 27 at the Elks Hall. They are Roy Dohner, Terry Miller, David Beck, Billy Capps, George Corbett and David McVey.

Three others boys of the troop which is led by Scoutmaster Milt Huber already have Life Awards and are eligible for Eagle awards in August. They are Kenny Mackenzie, Dennis Kern and Richard Wagner. The other six boys will be eligible in six months for their Eagle Scout awards providing they have the required merit badges by that time.

The Explorers have been together since the Scout troop was organized in 1954. Huber was first assistant Scoutmaster, then Scoutmaster, and took over the Explorer section two years ago.

The boys have an outstanding record in the Harbor area. Of the 17 Explorers, nine are Life members. There are only seven Eagle Scouts in the area and three from this Torrance troop will be given the award in August. The percentage is exceptional. Life Scouts average 50 per cent of the group.

Huber has planned many outstanding camps and activities to give the boys an opportunity to achieve merit badges. They attended Philmont Scout Ranch in New Mexico last August, one of the centers of Scout leadership training. They participated in a silver moccasin hike of 65 miles.

The Explorers returned Monday from a five-day camping trip and golden arrowhead hike in the San Gabriel mountains. The last two weeks of July
