

JOY RIDE—Charlotte Sheffield, Miss USA of 1957, who will crown the winner of the Miss Universe pageant in Long Beach, took a spin in a Gogomobile featured at Newcastle Sports Car Centre, 505 Pacific Coast Highway, Hermosa Beach. She liked the little car fine.

List Area's Play Spots in Schools

Several Los Angeles schools in the Torrance-Lomita area will offer playground facilities during the summer for a nine-week period ending Aug. 22.

Summer playgrounds are a continuation of a similar program conducted throughout the school year, but many activities will be expanded. Most playgrounds will be open from 12:30 to 5:30 p.m.

Senior high schools which will be open are Narbonne and Gardena. Fleming Junior High School will also be open. Elementary schools in the program include Towne Avenue; 259th Place, 223rd Street, Bonita Street, Carson Street, Halldale Avenue, Harbor City, Lomita, Normont, 186th Street.

Summer Stock at ECC to Include Four Major Dramas

Summer stock will blossom on the campus of El Camino College this year with an unprecedented four major productions to be staged under the supervision of instructors Burnett Ferguson and Dr. Frederic Hile and directed by Warrior Alums, Lewis Carline, Phi Beta Kappa, and magna cum laude from the University of Southern California, will direct his original work, "The Brick and the Rose," on July 18 and 19. This dramatic work was produced professionally at the Ivar Theater in Hollywood, receiving excellent reviews from the critics.

Second in the series will be the experimental production on July 25 and 26 of William Shakespeare's great tragedy "Hamlet, Prince of Denmark." Directed by Robert Chaplaine, this version reduces the cast to seven major characters. Chaplaine himself will play Hamlet, while Melora Conway will be seen as Gertrude, Welton Daniel as Claudius, Gayle Sheppard as Ophelia, K. Lyle O'Dell as Polonius, Joseph D'Agusta as Laertes, and Jay Stephens as Horatio.

Following this production on August 1 and 2, Duane Ryan will direct the Jean Anouilh adaptation of Sophocles' "Antigone."

The final production scheduled for August 8 and 9 will be Thornton Wilder's comedy "The Skin of Our Teeth." Paul Comi, like Carline a Phi Beta Kappa and magna cum laude from USC, will direct the Pulitzer Prize winning play.
