SECURITY MANOR
Southwest Corner Rosecrans & Budlong — Gardena
VALEK REALTY CO.
9610 So. Western PL 6-9133

OPEN FOR INSPECTION—Security Manor, Gardena's newest group of deluxe apartments is now open for inspection. The one-million-dollar group of apartments are located at the southwest corner of Rosecrans and Budlong in Gardena. Among the many deluxe features are: genuine lath and plaster; acoustic ceilings; private patios; sliding glass doors; ornamental iron railings; concrete driveways; block fences; steel casement windows and disposals. Valek Realty Co., 9610 So. Western Ave. in Los Angeles is exclusive agent for Security Manor.

Brownie Troop Marks Birthdays
Brownie troop 1506 celebrated the birthdays of nine of their 16 members Wednesday at the Normandie playground. Mrs. Helen Rogow, leader, and her assistant, Mrs. Reba Perkins, will chaperone the group. Since regular meetings are not held by the girls during the summer, they group the summer birthdays together and celebrate at one big party. Birthday girls are Catherine Olson, Terry Rogow, Ann Bruger, Keitha Yockum, Karen Olson, Carol Hamilton, Cheryl Smith, Linda Alfard and Lynne Thompson.

Third Polio Shot Vital to Protect Against Disease, Chamber Warns

Six million Californians under 40 have not yet received their three injections of poliomyelitis vaccine, warns Chairman Dr. Rodney A. Stetson of the Public Health Committee of the Torrance Chamber of Commerce.

The committee reminds that it takes three doses of polio vaccine to give maximum protection. The second dose is given a month after the first, and the third injection seven months after the second.

Recent figures released by the California State Health Department show that 75 per cent of the people under the age of 40 received one polio injection, 40 per cent received two injections, but only 27 per cent the required three inoculations.

Dr. Stetson said that polio is particularly dangerous in the age group under 40, but does not strike those in the older age groups. It occurs more often in pregnant than in non-pregnant women.

With summer comes the polio season and the committee asks the help of all parents in seeing that their families receive maximum protection against polio.

Dr. B. A. Kogan, district health officer, states that polio immunizations are not available to the public through the local health department this summer. He joins the public health committee in urging all people in the area to go to their private physician now if they are not up to date on their three polio injections.

Divers Win in Competition
Dick Jappe of Palos Verdes was a member of a three-man skindiving crew which won first place in recent competition at Salt Creek, south of Laguna Beach.

Jappe, as well as teammates Del Rens of Redondo Beach and Frank Hopps, of Pasadena, have been active in the sport for 10 years.

Next competition will be held Saturday at Scotchman's Cove, near Laguna.

HOT WATER HAPPY
tub after tub after tub!

- 1 Choose GAS!**
Gas heats water three times faster... easily keeps ahead of the demands of automatic washing machines, dish washers and growing families. Gas costs less, too.
- 2 Choose Right Size!**
Your plumber's approved sizing chart shows the proper size automatic Gas water heater for your family. Don't buy an inadequate heater. It overworks—won't last as long, nor serve you as well as the right size heater.
- 3 Choose Quality!**
One good way to select a quality Gas water heater that won't rust is to make sure it carries the Verified Long Life Seal shown here—or insist on a 10-year warranty when you order.

It's easy to buy a new automatic Gas water heater. You can give your plumber all the details he needs over the telephone. You may even arrange convenient terms, credit and financing with him over the telephone.

Rescue Apparatus at All County Fire Stations

Acting on a motion by Supervisor Kenneth Hahn, the board of county supervisors this week instructed County Fire Chief Keith Klingler to prepare a report on the possibility of providing each county fire station with emergency rescue and life saving equipment, including inhalators and resuscitators.

In asking for the study, Supervisor Hahn pointed out that the present policy of the fire department is to have rescue units located six miles from any given point.

However, there is now an increased need for inhalator, and resuscitator services to be employed in cases of drowning, heart attack, traffic accident, and other emergencies, he stated.

The six-mile maximum distance to the scene of an emergency could result in loss of life.

Firm Names Executive
Earl Schoenlein has been appointed Customer Relations Representative at Horkey-Moore Associates, Torrance, E. J. Horkey, president of the engineering firm, announced today. Prior to this appointment, Schoenlein served as test engineer with the testing division of the firm. Before joining Horkey-Moore Associates, Schoenlein served as design engineer of the Navaho missile project at North American Aviation.
