

M.S. Campaign Chairman for Torrance Named

Mrs. Donald Jodrey, Welfare Chairman of the Gamma Psi Chapter of Epsilon Sigma Alpha International Sorority, will serve as MS March chairman in Torrance, in the annual Multiple Sclerosis Hope Chest fund-raising drive this month.

Announcement of her appointment was made today by Mrs. Ruth Gelb, residential campaign chairman for MS in Southern California.

Mrs. Jodrey will head a contingent of local volunteers who will participate in the door-to-door residential campaign for MS contributions scheduled for Tuesday, August 12.

In accepting the appointment, Mrs. Jodrey said, "Multiple sclerosis is the greatest cause of chronic disability among young adults. Its victims are assigned to a lifetime of progressive paralysis and helplessness because, as yet, the cause and cure of this devastating ailment are still unknown."

However, early diagnosis and medical and therapeutic treatments can control and alleviate some of the crippling symptoms of multiple sclerosis. Mrs. Jodrey added.

More than 200 different exterior body colors were used on the 1958 American automobiles, reports the Automobile Club of Southern California.

Soldier Owes Life to Buddies After Accident

Thanks to a 100 per cent successful blood donation drive conducted by the 306th Radio Broadcasting and Leaflet Battalion at Fort MacArthur this week. The life of one of the unit's men was saved last night.

Specialist Fourth Class John Clausen, K 19, of 24212 Los Codona in Torrance, received 12

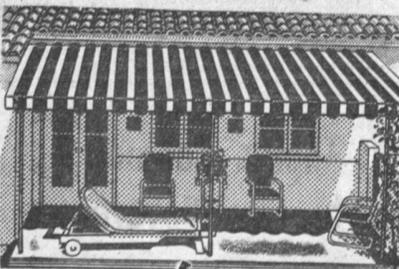

pints of whole blood lost from a severed artery which almost cost his life following a spectacular auto accident in San Pedro. Clausen was pushing a stalled car when a truck ran into it

broadside. Clausen suffered fractures, deep cuts, and internal injuries. Harbor General Hospital reports his case as "critical."

According to Lt. Col. Thomas D. Cornell, battalion commander,

donated blood in the unit's drive gave the Red Cross over 60 pints two day's ago. The unit, which is one of three psychological warfare units in the country is currently in summer training at Fort MacArthur. Clausen, who joined the reserve unit in 1955 works in the reproduction company as a process photographer.
