

City Sets Job Test Examination

Deadlines for filing for civil service examinations for three city jobs were announced today. Sept. 16 is the final date to file for automotive equipment mechanic. The job has a salary range from \$447 to \$489 per month.

Candidates for civil engineering associate will have to file their applications by Sept. 17. The job salary ranges from \$671 to \$735 per month.

Deadline for filing for account clerk, with a salary range from \$342 to \$373, is set for Sept. 16.

Examinations for all three jobs will be given Sept. 27 in the employes lounge of the city hall.

Wild Gals Bite Police Officer

A Torrance policeman was bitten by two juvenile girls Wednesday night during an arrest on charges of disturbing the peace, drinking and curfew violation.

The 15 and 16-year-old girls, and two male companions were finally brought to the police station after a scuffle with four policemen.

The officers spotted the two couples in a parked auto on Del Amo Blvd., near Crenshaw Blvd. Officer Joseph Capriotti was bitten by one of the girls.

Overpass Ready in Spring

Completion of an overpass in front of So. th High School should be completed by April 1, city and school officials were told Tuesday at a meeting with state highway officials.

The officials decided that the proposed overpass, which will allow SHS students to cross busy Pacific Coast hwy. to get to the school, should be located just east of the administration building. Ramps will lead students on and off the overpass, which will span the highway at a height of 20 feet.

For safety reasons, a steel mesh enclosure will be placed over the part of the overpass which spans the highway. A fence will be built along the center island of the highway so that pedestrians will have to cross at intersections in or on the overpass.

The school district, city, and state will share equally in the cost of the structure, estimated at about \$50,000.

Groundbreaking Tomorrow for Coleman Store

Ground will be broken Monday at 9 a.m. by city officials and company executives for the new S. C. Coleman Furniture Co. building in Hermosa Beach.

The firm, which has served this area for a decade, is presently in a temporary building at 2105 Redondo Beach Blvd.

The spacious new store building will contain 10,000 square feet of display space and 8000 square feet of parking space. Its 204-foot frontage will be on Pacific Coast Highway, between 16th and 17th sts. in Hermosa Beach.

The building will be completed in from 60 to 90 days and will be constructed by H-M-D Construction Co.

Riders Injured in Accidents

Two persons were injured in two traffic collisions this week.

David White, 18, of Manhattan Beach, a passenger in a car driven by William Howard Van De Water, 18, also of Manhattan Beach, was given emergency first aid after a collision at Hawthorne Blvd. and Garnet st., Wednesday.

The other car was operated by James D. Williams, 29, of Newport Beach, officers said.

In another accident at 213th st. and Western ave., May Louis Ruiz, 37, of 1602 W. 208th st., was injured. Police said she was a passenger in the car driven by Margaret Lou Woolway, 56, of Gardena.

The other machine was operated by Diane Marie Hathaway, 20, of 25354 Woodward st., Lomita, officers reported.

PUC O.K.s Stock Issue for PV Water Company

The California Public Utilities Commission today authorized the Palos Verdes Water Company to issue common stock in the amount of \$100,000 to discharge outstanding indebtedness. The order is effective immediately.

The company provides water for domestic, agricultural, commercial, and industrial use in the Palos Verdes Hills, including the cities of Palos Verdes Estates, Rolling Hills, and Rolling Hills Estates.

In its 1957 annual report the company listed 6,567 active service connections and operating revenues of \$565,195, with net income of \$22,718 after payment of interest.

Last Test Date Set by College

Only one more opportunity remains to take the entrance tests required of everyone who intends to enroll as a regular day student for the fall semester at Harbor College, William H. Mc Masters, Dean of Admissions and Guidance, warned today.

Sept. 2, at 1 p.m., will terminate the guidance-entrance test schedule which began last spring and continued throughout the summer.

Those who wish to take the test should call the college immediately and make a specific appointment for this last date. They may then register on September 15.

"This accelerated test schedule has been made necessary by increasing enrollments and the impossibility of processing late examination papers by September 15, the last registration date for the Fall 1958 semester," Dean McMasters explained.

Anderson Heads Convention Slate

Supervisor Kenneth Hahn today announced the appointment of Glenn M. Anderson, of Hawthorne, as a member of a bipartisan committee which has been formed to urge the two major political parties to hold their 1960 national conventions in Los Angeles.

Prominent in Democratic circles for many years, Anderson is a former State Assemblyman and a former mayor of Hawthorne. He is now the Democratic candidate for Lieutenant Governor.

EMERGENCY FUND DRIVE—Reporting that the Torrance commerce and industry divisions of the 1958-59 Community Chest campaign are completely organized, division chairmen were briefed on the emergency needs of the Chest for a million dollars more this year. Left to right are: Tom Tracy, Coleman Engineering, Harbor area chairman of commerce and industry; Douglas Rigby, Harry Goldsmith (standing in for Bob Dittmar of San Pedro), and Wallace Haas, division chairman, and Glen Koger, who is over-all chairman of the Harbor Area.

Excitatives Roll up Sleeves for Community Chest Emergency Drive

First Community Chest volunteers to go to work in the 1958-59 campaign to help raise Torrance's share of the \$11,200,000 Los Angeles area Chest goal, will be the firm executives who organize the commerce and industry solicitations, Tom Tracy of Coleman Engineering who is Harbor Area commerce and industry chairman, said.

Recognizing the emergency nature of this year's campaign for an additional million dollars over last year's goal, leaders are pressing for early recruitment of volunteers.

Wallace Haas of Bethlehem Steel and Douglas Rigby of Ryan Aeronautical Company, the two Torrance division chairmen, announced that they have completed their enrollment of commerce and industry committeemen who will head up this year's campaign.

Working with Haas will be John Foley, attorney; Ted Green, Pauls Chevrolet Inc.; Henry Heinlein, Contractors Asphalt Sales Co.; Bruce Jones, Bank of America; John D. Lindley, South Bay Credit Bureau; James McMillan, Union Oil Co.; Robert M. Phelps, Chicago Bridge & Iron; and Jerome L. Scharfman of Torrance city government.

In division B, working with Rigby will be Donald P. Anderson, American Standard Corp.; Avery Stewart, Edison Co.; P. U. Burnham, American Standard Radiator; Roger Cotton, Good-year Service; Edward Dalton, D & M Machine Works; Sam Levy, Levy Dept. store; Paul Loranger, Paul's Chevrolet; Daniel W. Ryan, Dow Chemical Co.; Ralph S. Morris, Rome Cable Corp.; and Morris C. Stull, Vicker's, Inc.

In outlining the emergency faced this year by the 167 Chest health and welfare services, Tracy cited figures to show that although past campaigns have been good, they have not kept

Federal Funds for Schools Approved

Two bills providing federal funds to the Torrance Unified School District, were approved, U. S. Senator Thomas Kuchel notified the district this week.

The measures provide a continuation of operation and building funds to school districts which serve important national defense areas.

The federal money was already included in the \$9,222,000 school budget and will bring no reduction in the tax rate which will increase by approximately 20 cents per \$100 assessed valuation.
