Mothers of Twins Meet On Friday

It will be "strictly business" for South Bay Mothers of Twins Club when members meet Friday, 7:30 p.m., at Higgins Brickyard, 2217 West 174th street, Torrance.

The club has been invited to score various new Franciscan pottery patterns by Gladding McBean Company. Women will peruse a variety of new styles, then score their favorites.

The social aspect hasn't been completely ignored. Coffee will be available to sip while the women go about their judging. Guests are welcome, Mrs. Frances Withrow, club president, said.

Next regular club meeting will be Monday evening at the Wayfarer's Inn. Reservations can be made through today by calling Mrs. Patti Howard, FR 8-1507; or Mrs. Dee Dieters, DA 6-6602.

Entertained at Luncheon

Mrs. Lillian Baker, president of the Torrance Art Group, and her sister-in-law, Mrs. Clare Livingston of New Orleans were special guests at a luncheon held Wednesday at the home of Mrs. Roy Seidler, 3602 227 st.

Others attending the get-together included Mmes. Mark White, Lasta Fields, and Leland Cummings.

School To Open

Negotiations are under way to purchase a ten acre tract for the future site of a new Christian High School under the sponsorship of the Assembly of God churches of the southern Los Angeles area.

The school which this year is for students of grades 9, 10, and 11, will hold its first classes September 15, using the facilities of the Harbor City Revival Tabernacle, 1032 W. Pacific Coast Hwy. Grade 12 will be added next year.

Inquiries and registrations may be made at the tabernacle during office hours or by calling DA 5-0373.

Lesson-Sermon Subject Told

Can true substance be both Spirit and matter? or is real substance spiritual and matter a counterfeit? Such are the challenging questions dealt with in all Christian Science services on Sunday. The Lesson-Sermon is on "Substance."

Paul's letter to Titus is read in part from the Bible. Paul admonishes, "Unto the pure all things are pure; but unto them that are defiled and unbelieving is nothing pure; . . . But speak thou the things which become sound doctrine: . . . In all things shewing thyself a pattern of good works."

The Golden Text declares in the words of Paul, "The things which are seen are temporal; but the things which are not seen are eternal."

Take Canadian Trip

Mr. and Mrs. J. W. Thuss, 1957 Middlebrook rd., have returned from a three week motor trip up the California coast and into Canada. They visited in Victoria, Port Angeles, and the world famous Buchart Sunken Gardens, and took the ferry to Vancouver where they went across the swinging bridge, eighth wonder of the world. Returning by way of Washington and Oregon.

School opens

Red Goose says:
Please watch school crossings. Let's vow that all the little feet in our town will still be running and playing at the end of this school term.
