Our huge volume of retail sales (largest in the entire area) plus the fact that we manufacture, right in our own plant, a majority of the decorating products sold under our own label, enable us to offer our customers the genuine, money-saving values that other firms often profess but are unable to produce. And, in addition to the guaranteed "fresh" quality of all our paints, varnishes, enamels, etc., we are also able to assure customers of the absolute tops in ingredients used in the preparation of paint and decorating supplies purchased at Merrell's.
