

Where EAST Meets WEST!

Shown at right are just a few pieces from one of the most interesting furniture stores in all of Southern California. CALFRAN has long been known for its manufacture of the finest in Rattan furniture, including many original and exclusive designs.

Now—"East meets West." CALFRAN has begun the production of several unique and smartly styled MODERN lines... such as the "Punai," or Hawaiian Day Bed, and the "Beachcomber" series of lawn and patio furniture. Best of all—because CALFRAN manufacturers both its Rattan and Modern lines—its prices are intentionally at least 20% to 30% under comparable furniture elsewhere. Come in and browse... it will be a worthwhile money-saving adventure!
