Nearly half of all Virginia traffic fatalities in 1957 resulted from single car smashups, according to the Virginia state police. The fatal one-car accidents averaged more than one death per crash and generally happened when the driver lost control of his car, due to excessive speed.

PROMOTED — Richard D. Rahn, son of Mr. and Mrs. William S. Rahn, 20529 Toluca Ave., recently was commissioned a second lieutenant in the Army after graduating from the Field Artillery Officer Candidate School at Fort Sill, Okla. Lieutenant Rahn entered the Army in October 1956.

El Camino Queen Winner Is Secret

One of the three sophomore finalists will be named to reign as El Camino College Homecoming Queen at a campus assembly this morning.

Joyce Elaine Clubb, Ann Daly or Margie Dunning will be identified at the ceremony in the college Campus Center.

During the coronation, the college president, Dr. Stuart E. Marsee, will identify the chosen queen, when he places the crown upon her head.

The queen was chosen from a group of seven candidates last Tuesday evening. Seven judges made the selection and also decided which two of the three girls will be the Homecoming princesses. Their identity has been kept a secret since then.
