Rep. King Thanks Torrance Backers In Vote Victory

Congressman Cecil R. King, re-elected to his ninth straight term in Washington for the 17th District, scored the greatest victory in all of California's 30 congressional districts by polling a majority of more than 120,000 votes.

The veteran legislator expressed his thanks to the people for the overwhelming vote of confidence accorded him in a statement to the Torrance Press.

Congressman King said: "It is most rewarding to know that such a vast majority of the citizens who voted last Tuesday have expressed their continued satisfaction with my representation of them in Washington as evidenced by their heartening vote of confidence. "As in the past, I will make every effort to represent each and every person in the district to the very best of my ability."

Council Rejects Suggestions for Own Pay Raises

A suggestion that Councilmen double their salaries was filed without comment or action Wednesday.

The recommendation to hike the pay to \$200 per month, was submitted by Margaret Clark, president of the North Torrance Civic Improvement Association.

Mrs. Clark pointed out that the valuable time given by the city fathers is far beyond their present pay of \$100 a month. It was the second time in two months that a council pay raise was suggested.

Previously Jonathan Dunmyer had urged that the council salaries be boosted to \$4000 per year, and that the mayor receive \$10,000 per annum on a full time basis.

AIRMAN—Fredrick P. Martin, son of Mr. and Mrs. Albert A. Martin, of 1630 Greenwood Ave., has completed basic training at Lackland Air Force Base, Texas. He is a Torrance High School graduate.
