### Firemen Drop MD Campaign

Torrance firemen this year will not conduct their annual charity drive for Muscular Dystrophy, and instead make a personal donation of \$142 to the charity organization.

For the past two years, members of Local 1138 of the Fire Fighters Union, has raised more than \$9500 in a door-to-door campaign while off-duty.

Glenn A. Perkins, secretary treasurer of the Local, announced that this year's campaign was canceled because of "circumstances beyond our control."

"It is with a feeling of deep regret, rather than the usual elation and pride, that the men of Torrance Local 1138 are making a personal donation of \$142."

Perkins urged residents to contribute to the fund by sending donations in care of Muscular Dystrophy in care of the Torrance Post Office.
