Is Your Car Picking Your Pockets?

If you are driving the average automobile, it is. Let's face facts, those smog making gas hogs are out of date. Rambler, the automobile that is built to last longer, not look longer, is the car for the thinking American.

Hunt Rambler is proud to represent this automobile in the harbor area.

Hunt Rambler is the logical place to buy YOUR RAMBLER!

BECAUSE...

1. Hunt Rambler, harbor area dealer, DOES NOT base their business on falsities.
2. We base our business on a sound business transaction.
3. We are trading competently.
4. You PAY for nothing you do not GET.
5. Courtesy and service are a must.
6. We will not be undersold.
