

ILLUSTRATED BUSINESS INDEX

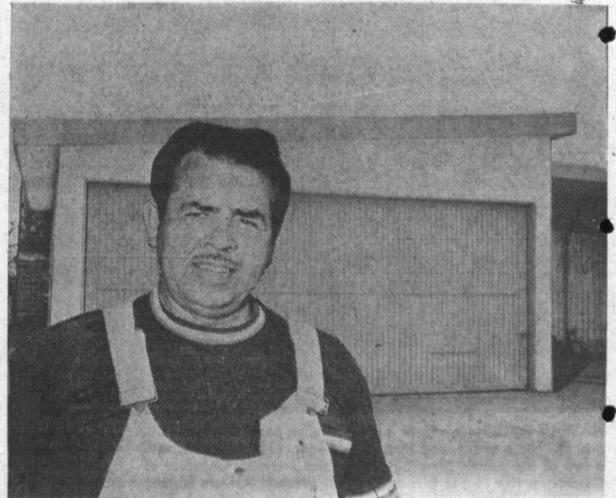

REID HEATING & AIR CONDITIONING

No matter whether the weather is too hot or too cold for comfort, modern science and engineering have devised ways we can actually change it and create an enjoyable year 'round climate in our homes and offices. Carl Reid, owner of Reid Heating and Air Conditioning, 3418 Redondo Beach Blvd., Torrance, is an expert in this field of weather adjusting. He does all types of heating and air conditioning work. He is equipped to handle residential, commercial and industrial contracts of small or large proportions. He can build weather conditioning into your existing building, or plan and execute a complete heating and air conditioning system for a brand new building. He is an authorized dealer for several manufacturers of heating and air conditioning equipment, Fedders, Payne, Holly and Fraser-Johnston, but if you prefer some other make, Reid can obtain and install it for you. Reid, his staff of eight, and three trucks are at your service after a simple phone call from you. Just dial DA 3-7202, or FA 1-2683.

BUD'S AUTO WRECKING

Ever tried to find a door handle for a 1948 Plymouth, or an automatic transmission for a 1951 Studebaker? Personalized service and help is offered every customer of Bud's Auto Wrecking, 928 E. Carson, Torrance, two blocks east of Avalon on Carson. Owner, Bud Hamilton, and his staff of four, do everything in their power to assure the satisfaction of each customer. Whatever your need in the auto parts line, Bud's either has it or will find it for you. Their huge 2 1/2 acre lot holds a stock of 350 cars dating from 1931 to 1954. They have on hand: grills, fenders, windshields, radios, heaters, motors, doors, rear ends, re-built batteries. They also install parts. Bud's Auto Wrecking buys cars of any year. As a matter of fact, they offer free pick-up on cars to be sold, and free pick up and delivery on parts, too. Just call TE 5-3496 or 5-Pruce 5-1985.

FRED'S OVERHEAD GARAGE DOOR SERVICE

Making repairs or remodeling when necessary adds to the value of your property, and keeps you feeling proud of its attractive appearance. Often the remodeling or repairing is something as relatively minor as straightening the garage door. Fred M. Garcia, owner of Fred's Overhead Garage Door Service, has specialized in repairing and installing garage doors. He can repair or adjust your garage door, install a new door in your old garage, or install a new door in a new garage. He offers a variety of materials for new doors, such as redwood, plywood, and aluminum. Garcia does all of its own work, so your satisfaction is guaranteed. He is licensed and fully insured. He started his business in 1950, and serves the entire South Bay area. Whether you are building a new home, or just sprucing up the one you have now, call Fred's Overhead Garage Door Service, FR 4-1896 or PL 3-1619, to be sure that you have the very best in garage door installation or repair.
