

ILLUSTRATED BUSINESS INDEX

FRANK MCGINLEY ELECTRIC CO.

One of the pioneer companies in this fast-growing area of ours is Frank McGinley Electric Co., 121 West E St., Wilmington. It was founded way back in 1916, when the use of electricity was in its infancy. Jack D. Cox, who has been president of the company since 1946, now has a staff of 12 and nine trucks to serve the entire Harbor area. A great deal of their growth is due to repeat business and references from satisfied customers. They are equipped and qualified to handle a great variety of electrical work: residential, commercial and industrial. They have worked on many tracts, stores and gas stations, and can do complete remodeling installations with a minimum of expense. Cox was president of the Wilmington Rotary Club and is now vice-chairman of the Harbor Division of National Electrical Contractors Association. Whatever your electrical needs, call Frank McGinley Electric Co., TE 4-1442. You will be dealing with one of our most highly respected companies.

BILL AND DAVE'S RADIO

The aircraft pilot often depends on his radio for his very life. Through his radio he can keep track of his location and chart his course. Through his radio he receives directions for landing and take off, and can get help from his airport and CAP. Bill and Dave's Radio, at the Municipal Airport in Torrance, sell, install and repair this very vital aircraft instrument. Owners, Bill Van De Water and Dave White, have had more than six years experience in this field. Bill has his third class license and Dave has his second class license. Dave has had his own ham radio station for four years. (His call numbers are K6KME.) Bill and Dave's Radio is the dealer for Nova Tec, Inc., makers of the Air-o-Ear. You can call Bill and Dave's Radio at the Torrance Airport, DA 6-0060, from 4 p. m. to 6 p. m., Monday through Thursday, and from 9:30 a. m. to 6 p. m. Saturday and Sunday. During off hours, call Bill at FR 9-3507 or Dave at FR 2-5187.

HOWARD'S AUTOMOTIVE

It's a near-tragedy when the car stops functioning properly. To avoid loss of your transportation, you should have the name of an automotive service center which you know to be completely reliable and dependable. The name is Howard's Automotive. The location is 2301 Redondo Beach Blvd., Redondo. Mel Howard, owner and manager of the shop, has been in the automotive repair business for 16 years, and has always been known for his dependability and honesty. His well equipped shop, near the South Bay Shopping Center on Redondo Beach Blvd., offers complete automotive service: mechanical repairs, body repairs, and painting.
