

AMERICA'S MOST EXCITING DOLL VALUE

She's A Cute, Pert Miss... She's "TEENA"
... and WOW... She's got everything!

What a wonderful gift for daughter, niece, grandchild—for every little girl you know! Teen-aged TEENA is almost human—her eyes open and close—head, legs, arms and torso all move. Her rooted hair can be combed and washed. Compare TEENA with dolls selling for as much as \$3.98 and you'll discover she's identical in every respect! With her smart hair-do, pearl earrings, manicured nails and spiked heels, TEENA'S ready to dress and step out.
