SITTING PRETTY—But not walking too well yet is Ernest Collins, 6, seated on lap of Nurse Kathryn Letrello at Riviera Hospital. The son of Mr. and Mrs. Robert Collins of 99 Calle Mayor, Hollywood Riviera, was walking along a high brick wall near his home when he fell off and his leg was caught on an eight-inch long pointed poinsettia branch. The branch was removed from his leg through which it had pierced completely in an emergency operation.

Victoria Park Library to Open Soon

Supervisor Kenneth Hahn announced this week that a branch County library will soon be established in the Victoria Park shopping center to provide the people of Victoria Park with convenience library service.

The announcement followed approval by the Board of Supervisors of a seven year lease on a vacant store room at 18419 S. Avalon Blvd., which will be remodeled as a library.

The new library, which will be placed in operation as soon as the remodeling work is completed, will occupy 2400 square feet of space. Ample public off-street parking will be provided in the shopping center parking area.

Remodeling of the building will include the installation of acoustical ceiling, ventilation equipment, tile flooring, new doors and new windows.

Supervisor Hahn said that Mrs. Irene Klein, formerly librarian at the Keystone branch library and well known to many Victoria Park residents, will be the librarian at the new branch.

The other is from Lee Rosier to construct nine houses on two acres north of Lomita Blvd. west of Eshelman Ave.
