ROSE WEATHERSTRIP AND SCREEN CO.

We're on our way to summer, now! Time to consider the condition of our window screens and screen doors. Ray W. Rose of Rose Weatherstrip and Screen Co., 4411 Redondo Beach Blvd., Lawndale, is just the man to see for any problem in the line of window screens, screen doors and weather stripping. He has been in the business for 11 years, and is an expert in this particular field. The screen materials he uses are the very best. He uses baked enamel frames and fiberglass wire, the latest and most durable materials available. They're rust-proof and non-corrosive. To see just how attractive new screens on your doors and windows can look, stop in at Rose Weatherstrip and Screen Co.'s shop at 4411 Redondo Beach Blvd., Lawndale. They will be glad to arrange for a free estimate on any job you need to have done, and then arrange credit terms for easy payment. They will soon have Bank of America credit cards, too. So stop in today or call FR 4-3607.

MASTER FLOOR COMPANY

What's under foot? A fascinating variety of materials are found under foot these days, according to M. "Bud" Stokoe. He has them all available at his new store, Master Floor Co., 15202 S. Western Ave., Gardena. There are hardwoods, linoleums by Armstrong, the marvelous new Sandran, Nairon, the latest in vinyls, tiles and, of course, carpeting in many materials, colors and patterns. They are especially proud of their special hardwood floors, the parquets, herringbones and planks. Beautiful! Stop in and see their large displays of linoleums, hardwoods and finishes, and samples of carpeting. Master Floor Company has anything you need to fit your pleasure and your purse. They not only install new floors, but they sand and refinish old floors, too. Master Floor Company also carries screens, formica, venetian blinds and shades for your convenience. Estimates are free. A phone call to FA 1-4440, DA 3-2973, or evenings, FR 5-2290, will put Master Floor Co.'s staff of 18 highly trained workmen and 5 trucks at your service.
