

PRETTY DORENE PORTER, movie and TV starlet and Southland's answer to Marilyn Monroe, was yesterday named "Miss Farmers' Surplus," heralding the coming of an exciting, new, yet old-fashioned type of country style market which will open Sunday, May 10, on grounds of the Roadside Drive-in Theater at 2500 Redondo Beach Blvd. Farmerette Dorene says the purpose of the open-air market, open from 7:30 a. m. to 4 p. m. every Sunday, is to provide neighboring farmers, gardeners and ranchers with a ready outlet for their surplus.

Tires Influence Auto Mileage

The tires on your automobile can have an important effect on your gasoline mileage, according to Joe Chamberlain, manager of Torrance B. F. Goodrich Store. Automobile engineers repairing cars for the Mobilgas Economy Run found that some brands of tires had a far lower rolling resistance than others and offered a definite, measurable gasoline mileage advantage. One automobile manufacturer found by test that the choice of tires could influence gasoline mileage by as much as two miles per gallon at 40 miles per hour. This manufacturer used B. F. Goodrich tires on the cars that entered in the Mobilgas Economy Run.
