**STUDENT SCIENTIST**—Looking over an electroplating device which will be shown in the Southern California Science Fair, Los Angeles, are its creator, Dave Cann, 13, and his science teacher at Torrance High School, Clyde Christiansen. Dave created an apparatus which will goldplate any metal, wood, leaves or paper. "It is one of the best pieces of student work I have seen," said his teacher.

### Neighborhood Conference Attended

Seventeen delegates from Harbor Area attended the two day Neighborhood Conference in Glendale as part of the three year triennial cycle of the National YWCA.

Mrs. Earl Cranston, vice-president of the National Board, was the keynote speaker.

Conversation groups were held both days discussing the broader aspects of membership and deepening program. Mrs. Elsa J. Morris, Harbor Area Executive Director, Jeannette Patchin, San Pedro Branch Director, and Mrs. Stanley

McKee, former board member led the groups. Mrs. Muriel Blackstone, Harbor Area Membership Director, led the membership section.

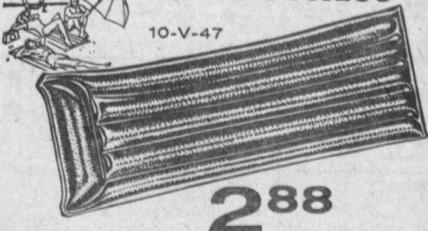

Those attending from this area were: Mmes. Harper, F. Harold Essert, Carl Taylor, Kenneth Lapiere, O. R. C. Crow, V. F. Christiansen, John Kimball Brown, Floyd Latham, George Hermann, Donald W. Randolph, Bernice Snow, Mary Ecklund, Joel Canby, Morris, Blackstone, McKee, and Miss Patchin.
