HUFF'S

Epicureans who discriminate in their choice of sea food are sure to find exactly what they seek at Huff's, where the culinary achievements of Co-Chefs Frank Lobel and Fred Fortado and the managerial "know how" of Bob Mason happily blend to provide an ideal working arrangement. Since this popular, around-the-clock eating establishment was opened in November, 1956, it has gained consistently in patronage and service. Today a staff of 24 caters to the needs of a wide variety of appetites. All are proud of the Eastern Choice steaks offered at Huff's, char-broiled, of course, and delicious! Huff's features shrimp, scallops and halibut in the sea food line. There is a very satisfying breakfast, lunch and dinner menu, plus continuous fountain service in a delightful air-conditioned atmosphere. Located at 2125 Torrance Blvd., at one of the busiest corners in Torrance, this energetic business organization strives constantly to give patrons the best of quality of food and service.
