**To the Editor:**  
I have been reading in our local papers the articles pertaining to the wage increase the Torrance Police and Fire Departments are requesting and after weighing both sides to the question, decided as a taxpayer, I should do my duty and let you know my views.

Torrance is a growing community and a fine one, if we wish it to remain as such, we will have to see that our Fire and Police Departments are manned with competent personnel, and to do this we will have to see that their salaries are adequate. The proposed five per cent increase will not bring our city's Fire and

Police Department salaries to that of other nearby cities of equal size.

The increase would be a wise one and with the growth of business and industry what it is today in Torrance, would not or should not put added taxes on the people.

Our present Police and Fire departments are competent and efficient. Let's keep them that way.

by increasing the salaries to a good wage, thereby inducing more men of good caliber to join these fine careers and keeping our present standards.—Mrs. Wm. B. Thompson, 5527 Greenmeadows, Torrance.

**To the Editor:**

I cannot tell you how grateful we are for the very real and purposeful help your publication

gave the City of Hope during our 1959 "Hope Sunday" drive June 7.

You and your readers will be pleased to know, I am sure, that this year's successful door-to-door march appears to be one of the most successful ever undertaken by our volunteer forces.

Because of your help, and the help of a whole network of good neighbors among your readers,

the City of Hope's specialized program of free patient care, research and medical education in the catastrophic diseases will continue to grow and expand, benefiting many from your own community.  
May I extend our heartfelt thanks.—Louis Tabak, president.

**To the Editor:**

On behalf of the United Jewish Welfare Fund, and in my personal behalf, I want to thank you for your fine cooperation during the 1959 UJWF Campaign.

Your generosity helped us immeasurably in bringing this year's campaign to a successful conclusion, thus providing a second chance to life for thousands of men, women and children here and the world-over. Jacob M. Karp, chairman, campaign publicity committee.
