

Harbor YWCA Announces Raise in Membership

Dues for Harbor Area YWCA are now \$3 per year as a result of a by-laws change voted on at the Electors' Assembly, it was announced today by Miss Frances Clark, area membership chairman.

The raise, necessitated by increased costs, was the result of study by the Area Membership Committee which recommended the change to the Harbor Area Board. The matter was taken up further at each Branch Administrative committee. The final decision was that of the electoral

members at the Assembly." Other by-laws changes made included a change of time for counting annual election ballots, and an increase in the number on the Advisory Committee.

Reports on the Junior and Senior High School Leadership Conferences were made by delegates, with Judy Benson serving as moderator. Betty Blackstone reviewed the program at the Senior High Conference, while Kathy Reed reported on the workshops and awapshops.

Leilani Nishimoto told what

conference mean to her and Denise Fouts spoke on the inspirational program of the conference.

Betty Harris summarized by saying that the conference meant a richness that no words could express.

Ruth Cheryl Collier and Rosie Solario reporting on the Junior High Conference told of its recreations as well as training concluding: "We hope we can go back next year."

Flora Watson and Linda Baker, Y-Team delegates to senior high conference conducted the closing ceremony. The meeting was concluded by the singing of "No Man Is An Island" led by the conference delegates.

MEDICAL BURGLARY
Burglars ransacked a medical building at Carson and Amapola Sts., police reported yesterday.

Phone Co. Names New Plant Head for Torrance

Thomas S. Turner, a 24-year veteran in the communication business, has been named to succeed Y. C. Todd as district

plant manager for Pacific Telephone in the area that serves Torrance, the company announced this week.

Todd has been appointed district plant manager for the Compton district.

Turner in his new assignment will supervise all telephone installations, repair and maintenance work done by a force of 220 men and women in

an 80,000-plus telephone area which includes Torrance, San Pedro, Wilmington, Avalon and Lomita.
