

Fall Registration Schedules for El Camino College Students Listed

Registration procedures for fall semester classes at El Camino College will begin next week, with four separate schedules established to facilitate enrollment for the anticipated 11,200 students. Full-time students who completed the spring semester of 1959 comprise the first registration group, which filed priority registration cards in the college Counseling Office during preliminary counseling appointments last spring. These students will be notified by mail of their appointments. The group will enroll on August 3 and 4. Part-time students who completed the spring semester will register on Wednesday, August 5, from 1 to 3 and from 5:30 to 7 p.m. They are instructed to bring spring semester grades with them. New and former students not included in the first two divisions and who plan full-time attendance this fall will receive appointments for testing, counseling and registration on appearing in person in the Counseling Office. Dates and office hours are July 20 through July 31, Monday through Thursday from 9 a.m. to 7 p.m. and Fridays from 9 a.m. through 4 p.m. From August 3 through September 4 the office will be open from 9 a.m. to 4 p.m. Full-time students, those who carry 10 or more units, may register during day-time hours only, Leo M. Christian, assistant director of student personnel, noted. Part-time, new and former students not included in the previous groupings may receive permits for registration and appointments for testing in person in the Registration Office beginning July 20 during the hours of 8 a.m. through 9 p.m. on Mondays through Thursdays and from 8 a.m. until 4 p.m. on Fridays. September 16 will be the final day for registration, with periods from 1 to 3 p.m. and 5:30 to 7 p.m. being established for this purpose. Registration officials note that, although registration slips will not be required for enrollment on the final day, it is unlikely that late registrants will be able to obtain desirable programs. Most classes are expected to be filled to capacity by that date. Placement examinations must be taken five days prior to registration by all students enrolling in English 1A, journalism, beginning shorthand, foreign languages, Math 2A, 5A, 7A, D, C or 1, and Chemistry 1A. Students having completed a college composition English course are exempted from taking the English placement test. For quick results phone your ad to Press classified, FA 8-2345.

Local Girl Scouts Plan Trip to United Airlines

A trip to United Airlines through the courtesy of Kenneth Breidenfeld, United Airlines Pilot, is planned by Girl Scout Troop 2000 sometime this month. Recently the troop held an all day outing at Griffith Park, where they visited the observatory and learned to handle and ride horses at the River Ridge Stables. Part of the day's events included a cookout with Patrol F planning the food, patrol H setting the tables, and Patrol S serving. Patrol K-P leader Karen Trygstad and her girls, Deborah Cote, Nancy Nuttman, Janice Webb and Susan Lillywhite kept the park clean. Ethel Findley directed Patrol F assisted by Sandra Chmielewski, patrol leader; Andrea Findley, Carol Greminger, Donna Flicker, Karen Williams and Lenore Mornino. Dianne Limpert lead Patrol H with Teresa Shivar, Vickie Townsend, Patti Franco, Mary Lehr and Arlene Hopkins taking part. Patrol S included Toni Sue Ainsley, Helen Somol, Dianna Brannon, Linda Clark and Sandra Olson, leader. The troop is working on cookout, hostess, hikers and cat and dog badges. Following completion of the El Camino College summer badge the troop will begin a first aid course.
