THE MAIL CYCLE—Demonstrating the way mail is distributed are these students in C. J. Levine's second and third grade class at Steele Elementary School. The class is studying the post office as part of their study of the community. Here, Marc Kagan, representing the post office, hands a letter to James Peterson, postman, who in turn gives it to the addressee, Debbie Sparks. The students also are practicing writing letters.

HUGE FRONT—Photo shows portion of huge crowd which converged on downtown Torrance during Dollar Days held Thursday, Friday and Saturday.

Sunday Lesson-Sermon The spiritual power of Christ Jesus' teachings and example will be emphasized Sunday at Christ-tian Science Communion services in the Lesson-Sermon entitled "Sacrament." The Golden Text is from II Corinthians, "The grace of the Lord Jesus Christ, and the love of God, and the communion of the Holy Ghost, be with you all" (13:14).
