Turk Children Want Pen Pals from Torrance

Turkish boys and girls are looking for pen pals with Torrance youngsters. This is the word brought back by Charles Wortham, Torrance's special good will ambassador to Konya, when he returned to make a report to the City Council Tuesday. He said that he will also ask the American Field Service here to sponsor an exchange student program with the Turkish sister city. The former Redondo Beach

mayor was treated royally by Turkish officialdom, he told councilmen as he presented them with photos of his experiences as Torrance's envoy.
