

### Year's Program Outlined by Narbonne PTA

"Together We Co-operate" is the theme chosen for Narbonne PTA for 1959-60. The theme was chosen by the program committee and approved by the executive board at a recent meeting in Lomita Park. Mrs. David P. Goolsby, president, presided and Mrs. Stephen Lovas presented the outline for the year.

Four night meetings are planned; a symposium October 20 on scholarships available and counselling for college or a job; a "Buzz session" November 17; a panel discussion on parent-teenage understanding January 19; and the schools open house April 19.

Afternoon meetings will include Christmas music and a play December 15; a speaker on narcotics from the Los Angeles Police Department March 15; and a fashion show May 17. PTA members will entertain Gateway Council October 5, and Tenth District February 18.

Mrs. A. A. Venable, membership chairman, announced a meeting of her committee August 28 to plan the annual membership campaign which is set for Sept. 28-October 9.

Ways and means chairman, Mrs. Vier Lowry asked members to look carefully in closets and garages for donations to the rummage sale planned for October at the House of Rummage, San Pedro.

Articles may be left with her at 26840 Regent ave., Lomita with Mrs. Virgil Bunn, 121 Via Pasqual, Palos Verdes Estates or with Mrs. Richard Owings, 26829 Dapplegray Lane, Rolling Hills.

Plans were made to serve coffee to the school faculty at their morning meeting September 11. An executive board meeting will follow at 11:30.

The following chairmen were ratified for 1959-60: Mmes. Stephen Lovas, program; Vier Lowry, ways and means; Raymond Stalmack, honorary life membership; Marvin E. Fulton, Founders Day; C. L. Wilson, magazines; Raymond Denlay, publications and emblems; D. A. Venable, membership; D. O. Jones, co-chairman; Robert Walker, tenth grade representative.

Francis Anania, eleven grade representative; Ted Hachiyama, international relations; Minnie Rugg, juvenile protection; Arthur Sigman, arts and crafts; W. Earl Burris, character and spiritual education and newettes.

Joe Boderman, student welfare; Henry V. Upholt, registration; Richard Goverman, parent education; George D. Weeks, press; Earl Brewster, press book; and Miss Alice Sturdy, music.

### Another Step in Construction of Hospital Set

Another step was taken today in the construction of the new \$15,000,000 Harbor General Hospital in Torrance.

Supervisor Burton W. Chace made this announcement following approval of plans and specification for relocation of old buildings and site clearance by the Board of Supervisors.

The project, estimated to cost \$55,155, will make room for construction of the proposed laundry and the central heating and refrigeration plant.

Chace said that Ward Buildings F-10, F-11, F-12, and F-13, as well as the covered walks, are scheduled for relocation. It is also planned to construct a temporary roadway paralleling the existing drainage channel.

"Approval by the Board of this project means we are just that much closer to the construction of the Harbor General Hospital which is very badly needed in the area," Chace said.

Construction of the Harbor General Hospital in Torrance was approved nearly a year ago at the urging of Supervisor Chace.

### Tax Appraiser Named for Job in L. A. County

State Controller Alan Cranston announced the appointment today of Attorney Howard Walshok as a state inheritance tax appraiser for Los Angeles County.

The 58-year-old Walshok will serve the downtown branch of the Superior Court.

Walshok pursues a dual career. Apart from being a lawyer, he also has held a real estate broker's license since 1947.

Long a member of the East Los Angeles professional community, he is a member of the East Los Angeles-Montebello Breakfast Club and the Forum Club.

Born in Lithuania, he came to the United States as a child and was educated in this country. He earned his law degree at Southwestern University.

"Howard Walshok brings to the Los Angeles County appraisal roster a valuable background in two important professions, law and real estate," Cranston said in announcing the appointment. "He will render a high standard of service."
