DENY DUMP SITE
Request by Morris H. Brown and Francis Stankevich for a cut and cover dump permit for the southwest corner of Figueroa and 190th St. was denied by the County Regional Planning Commission.

Plan Widening of Manhattan Beach Boulevard

Another major step forward in reducing traffic congestion in the southwest section was taken yesterday as the Board of Supervisors approved final plans and specification for the widening and improvement of Manhattan Beach

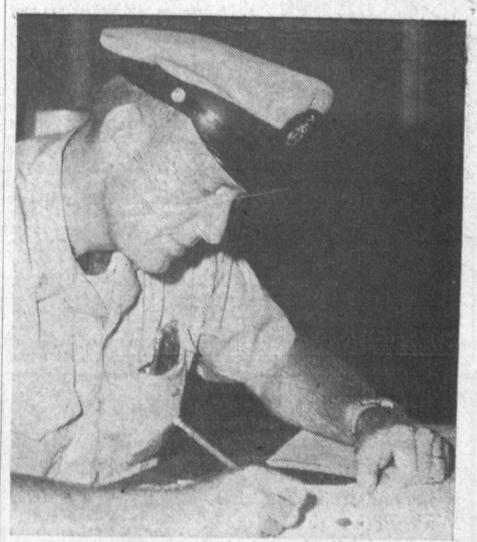

blvd. from Prairie ave. to Hawthorne blvd., according to Supervisor Kenneth Hahn. Bids on the project will be opened by the Board on September 15. Plans call for widening the two lane roadway to three lanes each direction. Work will include construction of curbs, gutters, shoulders and paving from curb to curb, and necessary drainage structures. Use Press classified, FA 8-2345.

Calvary Adds Spanish Class

Spanish will be offered to students in the 4th, 5th and 6th grades of the Calvary Baptist Elementary School in Gardena, Tom Kelly, Principal, announced today. School will open on September 10th and, in keeping with its basic principles, will emphasize a thorough foundation in the 3 R's. Several new teachers have been added to the faculty this year to strengthen the teaching staff. Tom Kelly, besides his duties as principal, will also be teaching the 4th grade; Rev. Alfred Young will teach 5th and 6th; and Mrs. Marie Hodel comes to fill the 2nd grade position. Calvary Baptist Elementary School is beginning its 9th year with an expected enrollment of 185. There are still some openings in kindergarten—which will be run on a double session if enrollment permits—and in the upper grades.

WINNER—Lowell Haley, right, 18807 Yukon Ave., is being congratulated by William Roth, after Haley won \$30 at the Radium Theater's weekly Farmer's Market. This is a Sunday event at the theater at Crenshaw and Redondo Beach Blvds.

NAVAL DUTY—William E. Flanagan of 19917 Mansel Ave. makes out a report while on his annual two weeks duty with the Naval Air Reserve. In civilian life Flanagan is an electrical engineer with Northrop Aircraft, Inc.
