MAY WE INTRODUCE

Our Diamond Salesman!

IF YOU'RE "FROM MISSOURI" (or from any other State including California) and want to be shown, Leonards' Jewelry Dept. invites you to inspect the diamond you have in mind under the powerful lenses of the remarkable "STEREOMICROSCOPE." This amazing instrument positively detects any flaws that could possibly be present! Seeing is believing... and the "STEREOMICROSCOPE" will show you why "If it's a Diamond, it must be Leonards!"

YOUR LEONARDS DIAMOND PURCHASE CARRIES AN UNCONDITIONAL MONEY-BACK GUARANTEE! You get no phoney "guarantee bond" with your Leonards diamond... nor the "liberal trade-in allowance" as advertised by so many jewelers (which is a camouflaged way of saying you must buy a more expensive diamond to receive the trade-in offer)!

Your Leonards Diamond **GUARANTEE** is simple and to the point... we invite you to have your LEONARDS diamond purchase appraised, in writing, by any **outside BONA FIDE APPRAISER**, anywhere! If you can then buy the equivalent diamond for the same amount or less—we will cheerfully refund your full purchase price!
