**Gals Organize 'Classy Chassis' Club**

A new group of ladies has organized here in Torrance to fight the battle of the bulge, surrounding milady's figure. This club will be known as SAL SAGEV (Las Vegas backwards) since these gals plan to "lose much" (weight) to "win" a "classy chassis."

Each month, two meetings will be held at the Torrance Chamber of Commerce 1511 Cravens Avenue in Room 3 on the first and third Tuesdays at 8 p.m.

Members weigh in, discuss reasons for losing or gaining weight, and exchange ideas for improved success in this struggle for the slim, trim shape. Initiation fee of \$1 per person is used to purchase low-calorie goodies which are the prizes presented for the pounds lost. A penalty of 25 cents per pound gained is also collected to prove that nowadays it pays to lose at SAL SAGEV.

The gals in this area who are out to lose weight should place their bet with this "backyard society."

For further information please call Mrs. Marjorie Clark FAirfax 8-6858 or Mrs. Vita Paxton at FAirfax 8-7459.

**Dog Killed and Child Hurt in Like Accidents**

A child and a dog ran out into the street unexpectedly and were the cause of two separate accidents last Saturday, according to police.

The child, Victor Joseph Lara, 5½, of 1950 220th St., was taken to Harbor General Hospital with a possible concussion when struck by a car driven by Davida Payne Dalton, 30, housewife, of 1811 Gramercy Place, Los Angeles. The accident occurred in front of the child's home, when the boy darted out into the street from behind a parked car, the woman told Officers Humphrey and Fuller. She was not cited.

In the other accident, which occurred at 240th and Hawthorne, Larry Paul Baker, 19, of Inglewood, sustained injuries requiring treatment at Harbor General Hospital when a collie dog ran in front of his motorcycle, causing him to skid and bounce 48 feet, the police report stated.

The dog, belonging to Janice Daniel, 23855 Park St., was killed.
