NIKl MUSIC STUDIOS

In days gone by the music of the organ was heard only in church or on some solemn or important occasion. Today we can all enjoy the music of this most powerful and versatile of all musical instruments right in our own homes. Arnold R. Nikl, director of Nikl Music Studios, 1019 S. Pacific, San Pedro, has made it possible for many families in this area to own and play the organ for their own and their friends' enjoyment. Nikl Music Studios are headquarters for Conn, Gulbransen and Thomas organs. With the purchase of each organ, Nikl offers free lessons to help you enjoy your instrument more. Easy terms can be arranged with 36 months to pay. Nikl received his master's degree in music from Northwestern University, and is a former high school band director. Mrs. Nikl is also a former teacher. In addition to the organ, Nikl sells Gulbransen pianos and all other band instruments. They give instruction on all band instruments, too. Sheet music and music supplies are sold at Nikl's. Arnold Nikl is a registered piano tuner. Visit Nikl Music Studio, 1019 S. Pacific, San Pedro, and see for yourself how easy it can be for you to bring music into your life. Their phone number is TE 1-2445.

TORRANCE AUTO BODY SHOP

Experience and ability are qualifications which are absolutely necessary in the auto reconstruction field. The quality of work done on a car will determine its value. Pete Salmon, owner of Torrance Auto Body, 1766 W. Carson, Torrance, his shop manager, Rico, and his staff of expert metalmen and painters have years of experience as well as innate ability in the auto reconstruction field. They have been in the South Bay area for many years, but just recently opened their shop in Torrance. Their new shop is modern in every detail. At their new shop, custom painting as well as complete auto body reconstruction work can be completed. Both domestic cars and sport cars are handled with equal care and ease at Torrance Auto Body. No job is too large or small for them to handle. Torrance Auto Body is approved by leading insurance companies, so drive in for a free estimate. Loan cars are available free of charge. SOUTHWEST BLUE PRINT COMPANY

When asked his reason for the unprecedented growth of Southwest Blue Print, located at 1609 Border Avenue, Torrance, youthful president Robert W. Morris answered, "It is based upon customer satisfaction. When we started our operation in the Torrance area, we adopted a sincere approach to two vital components that provide customer satisfaction, quality and service. To us it meant a special kind of quality and service—we had to do the job better than anyone else." The manner in which Southwest Blue Print Company has been able to provide customer satisfaction appears to have been thorough. In addition to providing comprehensive reproduction support for such large organizations as Vickers and Coleman Engineering, the company has been able to serve and grow with its smaller customers. Today the company offers such services as blue printing, photographic reproductions, offset printing, photostats, engineering and drafting supplies. For any of these services or supplies, call Southwest Blue Print at FA 8-5800, or stop at their office at 1609 Border Avenue.
