### Addition Planned for Anza School

Another four-classroom addition will be built soon at Anza Elementary School, the Board of Education decided Tuesday night as it authorized calling for bids. The addition is being rushed because of large enrollments in the area. A four-classroom addition currently is being built.

### Restaurant Entered

Mary's Lamb at Torrance and Hawthorne Blvds. was entered early Monday morning. Nothing was taken. A window was broken as well as a cabinet where \$25 in change formerly was kept. The money now is in a safe.

## WHERE DO I LIVE?

"Well, Mr. Jones, I'll tell you. I certainly wouldn't live in the middle of smog, like others do, and here's why: according to a Los Angeles County Medical Association survey, 60 per cent of physicians specializing in chest ailments had recommended that patients leave the smog area. So had 51 per cent of internists and 50.6 per cent of general practitioners! They advised this because their patients were suffering from eye irritation, chest pains, cough, shortness of breath, nausea, headache—and so on. Not good for adults—and assuredly not good for children. Now, why not move your family out where I live? Clean ocean air, smog-free, water sports, golf, tennis, plenty of shopping facilities. Oh, didn't I tell you the name of the location, yet? It's Grandview Palos Verdes!"
