## WHAT'S DOING

R. S. Pyle, your Telephone Manager in Torrance

This is a "switchboard on wheels"—a complete telephone central office built right into a big truck trailer. Its job is to help phone people keep vital calls going through during emergencies. You see, we can send these switchboards on wheels wherever they're needed and hook them up to hundreds of phone lines in a matter of hours. Then operators work right from these trailers, keeping important calls going—fire, police, hospital, civil defense, and such. It's one way we work to keep phone service ready when it's needed most.

FOLK-SINGER BUL IVES hosts the Bell Telephone Hour on Oct. 23 with guest stars Johnny Cash, Dolores Gray, Art Lund, Patricia Munsel, Edie Adams, Brian Sullivan and the American Ballet Theater. They're all "going Western" with old-time music hall favorites, Broadway hits, and even opera. Hope you'll tune in KRCA-TV at 8:30 p.m. and enjoy the fun. PACIFIC TELEPHONE
