Phone to Teach Blind Donated

An instrument for aiding blind persons in learning use of a telephone was placed with the Braille Institute today by the Pacific Telephone and Telegraph company.

Called a teletrainer, it consists of two telephones joined by a control box which, with an instructor, simulates rings, busy signals, and wrong numbers.

Make your family's favorite cereals taste even better by providing this simple topping for breakfast foods: Stir three tablespoons of honey into one cup of milk.

No interest! No carrying charge!
WHY THIS OFFER?
My offices are less busy than usual the latter part of the year. To encourage you to come in now, instead of waiting, I am making it so easy that money is no problem. Enjoy your cash during holiday season and get new dentures now this care-free way. Two years to pay if needed.

THE PHONE THAT TELLS YOU your savings in advance **TE 2-7115** for exact prices **NOT ESTIMATES!** or phone my office nearest your home

Dr. F.E. Campbell, DENTIST
Why You Can Depend On My Prices
We don't want you ever to expect lower prices than you get. To give you confidence we have the price permanently molded into each sample denture. You see the denture, you see the price, you choose.
