Cancer Society Names Beach Aide Woman of the Year

Bill Howe, public information director for the American Cancer Society, Los Angeles County branch, announced appointment of Frank Visca, Manhattan Beach, as public information chairman for District Eight which embraces El Segundo, Hermosa Beach, Manhattan Beach, Redondo Beach, Hawthorne, Inglewood, Lawndale, Lennox, Playa del Rey, Westchester, Palos Verdes Estates, Portuguese Bend, Rolling Hills, Gardena, Harbor City, Hollywood Riviera, Lomita, Torrance, and Waverly.

Visca will handle public relations for the largest health study ever attempted by the American Cancer Society. This study will be a survey of the relationship of human living habits to cancer. Recruitment of volunteers, and other preparations are now under way with the actual survey beginning early next year and continuing over a six year period.

(Continued from Page 1)
Regardless of her position in life, the Torrance Woman of the Year has made Torrance a richer and more interesting place in which to live during the past year.

Without doubt, there are many women who could qualify. We want to know your opinions. All Torrance is a committee to help us select this most important personage.

Winning letters will be published weekly, together with a profile on the candidate they advocate.

The winner will be announced late in January at a banquet for finalists given by the TORRANCE PRESS.

On hand to congratulate her and present a plaque will be a group of prominent Torrance citizens. Merchants of the area will honor her with many valuable tokens of the city's esteem.

Who is she? It's up to you.

Write today, take as much space as you wish to explain why you believe your candidate deserves the Torrance Woman of the Year award.

If you belong to a club, discuss it with club members and send a letter expressing the preference of the group. If you work in an office, take a poll of your co-workers and let us know the results.
