Carpet Town Opens Outlet in Torrance

A new Carpet Town store opens today in Torrance to serve the South Bay area with all the selection and values made famous by its predecessor firm, the All State Carpet Company.

The new store is located in the company's building, 3822 Sepulveda at Hawthorne.

With the opening of the new Torrance store, it was announced that Carpet Town has now taken over all the stores and inventory of All State Carpet Co., one of the largest chains of floor-covering stores in the West.

"We have long looked forward to the day when we would expand our chain to include a store to serve the delightful and fast-growing South Bay Area," said Bruce Berney, head of the firm.

Berney said the capacity of the company to make special purchases of quality carpeting will be increased by the merger.

All stores in the group offer home service to customers who wish to see carpeting in their homes before making selections. Appointments with bonded decorators representing the All State Carpet and Carpet Town stores may be made by phone.
