**Baptist Mark Double Anniversary**

The Narbonne Avenue Baptist Church, Lomita, will mark a double anniversary Sunday. It is the 15th anniversary of the church and the ninth anniversary of the Rev. Robert A. Wells' pastorage.

The church began in a rented building on Lomita Boulevard, with a congregation of 13. Membership is now over 1000.

The pastor came to the Lomita congregation in 1950. There were just over 200 members of the church meeting in the single building on Narbonne Ave. at 248th St. The building space has grown from 1800 to 18,000 square feet of floor space in this 9 years.

Highlight of the celebration will be a ground breaking ceremony for the new children's building. Nearly 10,000 square feet of floor space will be added to the present church plant. Construction is planned for the early part of 1960.

A time of fellowship has been planned to follow the 11 a.m. worship service. The church family and friends have been invited to bring their lunch and stay for the brief groundbreaking. A ribbon will be tied to the groundbreaking shovel, so that all those present will have a part in turning the first shovel of earth.
