Film on Cancer Will Be Shown Moose

"The Other City," a film telling how an American city of 75,000 could be transformed in to a ghost town by a killer too small to be seen, will be presented at the Torrance Moose lodge, 1744 W. Carson St., Tuesday at 7:30 p.m.

Cancer could erase a city almost the size of Torrance or Santa Monica, the sponsors said. That number die every year. Charles Ross Britt, chairman of the civic-affairs committte for the Torrance Moose has invited the American Cancer Society to present the film.

George W. Clay, governor, said Terry M. Klosterman will represent the cancer society at the program. A doctor will answer questions.

Knowledge of cancer's danger signals can help save lives, the sponsors declared.
