SPECIALIST DON E. SATTERFIELD
 Introduction to business end of army's new M-14

Specialist Uses Latest Rifle

Army Specialists Four Don E. Satterfield, 5127 Emerald St., uses the army's new rifle—the M-14—being introduced to paratroopers of the 101st Airborne Division at Fort Campbell, Ky. The division is first to receive the new rifle as limited quantities began arriving. The M-14 will give him increased firepower, lighter weight, and easier maintenance without sacrificing the wallop of the present M-1. Designed to replace the M-1, the carbine, the .45 caliber sub-machinegun, and the automatic rifle, the M-14 fires 7.62-mm. ammunition, standard for NATO troops. Satterfield, a squad leader in Company B of the division's 501st Infantry, entered the army in 1955 and last was stationed in Korea.

Hahn was re-elected in 1949 and 1951 and elected to the Board of Supervisors in 1952. This was followed by re-election in 1956.
