### Hot Shots Open at Marineland Restaurant

Welcomed by applauding crowds, the original Hoosier Hot Shots opened over the weekend at Marineland Restaurant in Palos Verdes.

The famous comedy band and its musical clowns highlight the new entertainment program in the "Porpoise Room" for the next five weeks, according to George M. Foster, owner.

Paul Trietsch and his brother, Kenneth Trietsch, who founded the madcap group and led them to film, radio, and TV fame, spark the show.

The Hoosier Hot Shots present many fast-paced, variety-crammed acts in the Porpoise Room, featuring wacky musical routines.

### Hahn Hits City on Land Refusal

Supervisor Kenneth Hahn today expressed concern over a decision of the Los Angeles City Water and Power Department that prohibits the county from using two acres of vacant land adjacent to Sportsman's Park and developing it for recreation until the property is needed by the Water and Power Department.

He said negotiations for the county to use the property had been proceeding and that the county was prepared to improve and beautify the land until the department declined to make the land available.

He said the property is vacant, waste land. Fronting on Century Blvd., it is also unsightly, overgrown with weeds, and presents a fire hazard in summer, he declared.
