**The Price of Good Health?**

Good health, of course, is of primary importance. Today's new drugs make good health possible for more and more people every day. There's quite a difference in the prescriptions you receive today compared with those of 30 years ago in protection against illness. Such benefit is difficult to evaluate in dollars and cents but we feel you'll agree our prices are quite fair.

**AFTER A COLD, FLU, SORE THROAT  
 YOU MAY FEEL RUN-DOWN FROM  
 Tired Blood\***

**FEEL STRONGER FAST**  
 Within 7 days...for money back!

After a cold, flu, sore throat or virus you may suffer from iron deficiency anemia...or, as we call it, Tired Blood. To feel stronger fast take GERITOL, the high-potency tonic that begins to strengthen iron-poor Tired Blood in 24 hours. In just one day GERITOL-iron is in your bloodstream carrying strength and energy to every part of your body. Check with your doctor. And, after a winter illness, if Tired Blood is making you feel weak and worn-out—take GERITOL... liquid or tablets—every day. You'll feel stronger just in just seven days or your money back.
