GRAND OPENING — Don Turpin (above) with Fiat, Lancia, and Alfa-Romeo cars, will hold grand opening tomorrow and Saturday.

Turpin Motors Plans Opening

Don Turpin, resident of the Harbor area more than 30 years, will hold his new-car grand opening tomorrow and Saturday at 946 Avalon Blvd. Wilmington.

He recently was appointed Wilmington-Torrance area dealer for Fiat, Lancia, and Alfa-Romeo imported cars.

Turpin is assisted in the business by his wife Grace, who is office manager. He has been associated in the automotive business for 20 years.

J. A. Beasley, the City Council's representative on the committee, called the celebration an invaluable contribution to world stability.

"This is only the beginning," he said. "But it must be brought to the level of all the people of Torrance. The principal efforts in the future should be directed to contact through exchange students and exchange teachers. This one event has shown beyond doubt the value of the program to Torrance, the United States, and the world."

It also was revealed this week that the Turkish press avidly covered the celebration with pictures and stories, thus taking the story of Torrance and the United States to the very edge of the Russian sphere of influence.
