Delegate Named to Saucer Meet from Torrance

John W. Root of 1225 S. Fir Ave., Inglewood, will attend the semiannual convention of Understanding, an organization of clubs devoted to study of flying saucers and metaphysics. The convention will take place Saturday at the Town and Country Lodge, Fresno. Root will represent Understanding Unit 27 of Torrance. The organization has 31 units with a membership of more than 800. Root is coordinator. Understanding is dedicated to bringing about a greater understanding among peoples of the earth and making available to them more of the higher understanding of those beings who are not of this earth. The organization was founded in El Monte in 1955 by Daniel W. Fry of West Covina, a missile-firm executive. In 1950 while employed at White Sands, N.M., he said he was flown from there to New York and back in a half-hour ride aboard a remote-controlled extraterrestrial craft.

Cancer Drive On Homes to Start Monday

The presidential Cancer Crusade drive will start Monday for District 8. Between 6 and 9 p.m., 4800 volunteers will knock on every door in this area. "Our house-to-house crusade takes place one night a year," said Mrs. Raphael Blaye, residential chairman. "It's our big give-and-take drive. Volunteers will give every family facts about cancer. And they will take, we hope, the most generous contributions." Mrs. Blaye urged residents to turn on their porch lights to welcome the crusaders. She said educational literature will be left at every home. District 8's goal is \$126,000.
