

ON TRIAL—Sidney Neville, owner of the Retreat, 3603 Pacific Coast Highway, will go to court on charge of creating hazard with flashing lights. Retreat was hit twice by cars on curve, once knocking Neville out of phone booth. Torrance police, who sought no part of it, were forced to act by State Highway Department. The flashing lights, quite common as ads, are viewed by Neville as safety measure. Court day is Wednesday here.

PROMOTED—Albert Salcido is congratulated by Chief J. J. Benner on passing his probationary period as fire engineer.

Salcido Completes Probation as Torrance Fire Engineer

Albert Salcido, who joined the Torrance Fire Department in 1954, has passed his probation as fire engineer.

Salcido, who was employed by Columbia Steel 7 1/2 years, now has attended Harbor College five years, accumulating 89 units of credit.

All this schooling has been undertaken on days off and directed toward a diploma in fire science. He has attended many other classes while on duty.

Out of tough competition he came No. 2 in his classes with a score of 97.83%. He twice made the president's honor list with a placement of better than 3.5.

The courses at Harbor entail latest methods in supervision, rescue scientific fire fighting, apparatus operation, fire prevention, arson investigation, industrial fire hazards, and others.

In addition to his schooling and duties, Salcido is chairman of the Torrance Council of United Employees.
