CONTACTS MEAN MORE DATES FOR YOU!

QUESTIONS AND ANSWERS ON CONTACT LENSES:

- Q. Do contacts really mean more dates for a girl, or for a man?
- A. You look about twice as good to anybody when you take off those disfiguring spectacles. One ex-mousy girl now has aquamarine contacts that bring out her skin—and oo-la-la!
- Q. Can contacts take years off a person's age?
- A. Of course—because spectacles are a sign of age, especially bifocals. With no spectacles, you give no older age cue, and we can provide you with bifocal contacts!
- Q. Is it true I can really see more with contact lenses?
- A. Yes, this is a scientific fact—you get a 15% wider field of vision when you are not limited by spectacle frames. This means you can actually see 15% more than you see now.
- Q. Can contacts replace thick glasses?
- A. Tiny beautiful contact lenses are more efficient than the thick disfiguring spectacles used to correct extreme nearsightedness.

GET THE FACTS ABOUT CONTACTS—F-R-E-E!
