Student-body election results were made known to Narbonne yesterday at the A.S.B. Installation assembly in the auditorium.

The school leaders for next semester are Ed Richards, student-body president; Steve Forrest, vice president; Barbara Bower, secretary; Pam Chase, treasurer; and Terry Hamilton, historian. The editor-in-chief of the GREEN AND GOLD is your columnist.

Boys' League officers are president, Mike Mitoma; vice president, Jesse Gutierrez; secretary, Mike Murakami; and sergeant-at-arms, Lucky Campbell.

Mary Stanovich captured Girls' League presidency; Kathy White won vice presidency, and Donna Milligan

was elected secretary. Mike Marienthal, Boys' vice principal, chalked up the athletic banquet last night as a tremendous success.

Highlight of this event was a number inspired by typical high-school songs and yell leaders. It was performed by Margie Southworth, Sandra Long, Bobbie Clarke, Janice Hamasaka, Valerie Truscott, and Bonnie Briedenbach all members of Miss Doris Richardson's fourth-period modern dance class.

Puzzled sophomores were assisted with their plans for the future on Career-Commencement Day. Representatives from local and national industries visited Narbonne's (Continued on page C-3)

Spiritual Foundation is Scientist's Topic

"God the Only Cause and Creator" will be the keynote of the Lesson-Sermon Sunday at First Church of Christ Scientist, 1750 Manuel Ave. The Golden Text is from Isaiah (45:18). "Thus saith the Lord that created the heavens; God himself that formed the earth and made it; he hath established it, he created it not in vain, he formed it to be inhabited: I am the Lord; and there is none else."

Opening selections from the Bible will include this verse from Isaiah (46:9). "Remember the former things of old: for I am God, and there is none else; I am God, and there is none like me."

Mary Baker Eddy declares in the Christian Science textbook, "Science and Health with Key to the Scriptures." "God is individual incorporeal.

"He is divine Principle, Love, the universal cause, the only creator, and there is no other self-existence. He is all-inclusive, and is reflect-

ed by all that is real and eternal and by nothing else. "He fills all space, and it is impossible to conceive of such omnipresence and individuality except as infinite Spirit or Mind."

Friday morning will conclude with the installation of officers and a consecration service by Mrs. Muncy.
